We'll take a walk through the newly restored Jewish quarter, make our way along the Cardo, the main street of Jerusalem 2,000 years ago and through the Herodian quarter. We'll also stop to see the Temple Mount and the people praying at the Western Wall, and stroll along the Via Dolorosa, where Jesus carried his own cross. We then stop at the Church of the Holy Sepulchre, which is considered to be the place where Jesus's tomb is located. Day 8: Enter Jordan and visit Jerash

After breakfast in Israel we head to the border and cross into Jordan where our first visit will be to nearby Jerash, 'the Jewel of the North'. One of the largest and most well-preserved sites of Roman architecture in the world outside Italy, the ancient city of Jerash boasts an unbroken chain of human occupation dating back more than 6,500 years. The city's golden age came under Roman rule and Jerash is now generally acknowledged to be one of the best-preserved Roman provincial towns in the world. Having been hidden for centuries in sand, excavations restorations over the past 70 years have revealed a fine example of the grand, formal provincial Roman urbanism that is found

throughout the Middle East, comprising paved and colonnaded streets, soaring hilltop temples, handsome theatres, spacious public squares and plazas, baths, fountains and city walls pierced by towers and gates. Leaving Jerash behind, we'll head to the capital city Amman where we'll have time for a short city tour.

OVERNIGHT: Amman Hotel

MEALS: Breakfast

EXTRAS: None

Day 9: Drive to Petra and tour

After an early breakfast in Amman today, we'll drive to Petra and enjoy the remainder of the day today inside the world famous Nabatean site of Petra. The ancient capital of the Nabataean commercial empire until the Romans finally took over in 106AD, Petra was largely forgotten, except by the local Bedouins, until it was 'discovered' in 1812 by a young Swiss explorer, Johann Ludwig Burckhardt. Petra is situated on the edge of Wadi Aruba., whose canyon walls and surrounding hills make it almost impossible to approach except through a narrow, winding cleft in the rock, called the Siq. The city itself has very few free-standing buildings, as the Nabateans chose to carve their homes, buildings and tombs into the multi-coloured sandstone cliffs. Nowadays, the Jordanian government and local people are well aware of Petra's interest to tourists, and the tourism infrastructure in the adjoining village of Wadi Musa is booming, though, thankfully, once you enter through the Siq, the site is protected, and all the building feels miles away.

This afternoon we tour this fascinating city (guided tour, then free time to explore yourselves). We start by walking through the Siq, which rises to 200m above us, and narrows to just 2m wide in places. The ancient Nabatean water channel can still be seen on one wall, as well as some remnants of the terracotta pipes that brought water into the city. All of a sudden, a now classic view appears around one corner, and one of Petra's most impressive monuments, the Khazneh (Treasury) comes into view. Our guide will explain how this, and the other buildings here, are mainly elaborate facades carved into the rock from the top down, and also discuss the spiritual significance of the building style. From the Khazneh, the valley opens out, with tombs carved into the rock on both sides. We'll see the ruined Roman amphitheatre, and colonnaded street, and during your free time you can walk up a steep and narrow winding gorge past beautifully coloured sandstone cliff walls to the huge and imposing 'Monastery'. The biggest of Petra's carved monuments at 50m high and 45m wide, this is truly spectacular, as are the distant views west across Wadi Aruba and the Jordan valley. Another climb can take you to the High Place of Sacrifice, and Lion Fountain.

All in all, this is a full & tiring, but hugely rewarding day touring one of the world's most famous ancient sites. We spend the evening and night relaxing at our hotel.

OVERNIGHT: Petra Hotel

MEALS: Breakfast

EXTRAS: None

Day 10: Return to Tel Aviv via Madaba and Mt Nebo

This morning we'll leave Petra behind and start our journey back into Israel. En-route we stop in Madaba and see the town's main attraction, the Greek Orthodox Church of St. George where we'll see its famous 6th Century Byzantine mosaic map of the Holy Land and other biblical sites. We'll also enjoy great views of the Holy Land from Mt. Nebo, known as the burial place of the prophet Moses.

In the afternoon we'll cross the Jordan/Israel border and return to Tel Aviv where we'll be spending our final night.

Options

Our tours are designed to include all that you need to enjoy a really special time in the destination you're visiting.

However, we do also offer some extra options to complement the tour and add some additional sightseeing or activities, or some extra time at either end of the tour.

All accommodation based options (e.g. Single supplements, extra nights, cruise upgrades) should be booked and paid for in advance so that we can make the appropriate arrangements.

Other options may either be booked and paid for in advance or while you are on the tour, though we recommend booking in advance to ensure there are no issues with availability.

Many options are priced the same throughout the year, but some may incur single or high season supplements - full details are given on the tour reservation form or on request.

Single room supplement (ISSHIE)

Min numbers: 1 person

Price: \$840.00

This option books a single room in all the accommodation throughout the tour. If you are a single traveller and would be happy to share a room, let us know and we will see if we can pair you up with another single traveller of the same sex. If a room share is not available when you book then we will add the single room supplement to your booking and it will be payable with your balance payment unless we have arranged a room share for you by then. If a room share is arranged after you have paid the supplement then we will refund it to you. Room shares are arranged in order of booking.

Extra day in Tel Aviv - pre-tour

Min numbers: 1 person

Price: \$129.00

This option adds an extra day to the start of your tour in Israel, staying in the same hotel as the main tour itself (subject to availability at the time of booking). Your airport arrival transfer is NOT included. Prices shown are per person and based on two people sharing.

Tour Notes

1. Accommodation

We use good quality hotels rated at the Israeli 4-star and Jordanian 3-star level on this tour, together with a night in a Kibbutz hotel. Options are available to upgrade the accommodation to a better 4-star, or standard 5-star level. Please contact us for prices to match your dates. The normal hotels we use for these upgrades are shown below, though these may change to alternate hotels of a similar standard on some dates:

Comfort (good 4-star): Amman - Grand Palace | Petra - Nabatean Castle | Tel Aviv - Grand Beach | Jerusalem - Grand Court | Kibbutz Lavi - Superior room

Superior (4/5 star): Amman - Regency Palace | Petra - Marriott | Tel Aviv - Dan Panorama | Jerusalem - Dan Panorama | Kibbutz Lavi - Superior room

As different hotel levels are available, this does mean that if some people take up the upgrades there will be more than one hotel pick-up and drop-off each day, though we do aim to plan these to minimise any extra travelling time.

Accommodation is based on twin or double en-suite rooms with air conditioning. All couples will be given a private double room. Single travellers will need to pay a single room supplement to guarantee themselves a single room throughout the tour. We aim to keep this cost as low as possible. As we may share this tour with other operators, we do not offer a room-share option for solo travellers.

2. Transport

Our trips feature a mix of different transport options. We want you to feel like you're really experiencing the country you're travelling through, but at the same time we want you to finish journeys refreshed enough to enjoy the next stage of the tour. Our routes in Israel and the small distances involved mean that we use private vehicles throughout this tour.

3. Transfers

This tour includes an arrival airport transfer from Ben Gurion airport in Tel Aviv to your hotel at anytime on Day 1 of the tour, and a transfer back from your hotel to the airport on Day 11. If you would like to add extra time in Israel and arrive before Day 1 of the tour or leave after Day 11, we can provide you with a quotation for your extra nights and airport transfer.

For legal reasons when crossing from Israel into Jordan, it's not possible for us to use the same vehicle so you'll be escorted to the immigration point on the Israel side of the border before taking a shuttle bus to the Jordanian side where our Jordanian team will greet you. Once in Jordan you'll have a Jordanian guide and driver who will continue with you for this part of the tour. You should budget approximately \$107.00 for border fees which are not included in the tour price. These fees will be paid locally, in cash, when crossing the border. We have many passengers each year crossing this border and our local team are very experienced - full assistance will be given at each side.

4. International Flights

We want to give you as much flexibility as possible when it comes to booking your holiday with us. So, to take account of people with varying travel plans, we don't include your international flights in the main tour price. We are

however very provide suggestions for flights to go with your tour. Please contact us with your preferred dates and departure airport and we'll give you a selection of airlines, times and fares to choose from.

Your airport arrival & departure transfers are included on the first and last days of the tour. All our group tours in Israel start and finish at Ben Gurion airport in Tel Aviv (TLV).

5. Border Crossings

This tour includes two crossings of the Israel/Jordan border. We ask for your patience when crossing borders, as this process can sometimes take more than an hour. Please be assured that our local team is working daily with the authorities and is doing whatever they can at all times to expedite this. We also suggest that you try to travel as light as possible, as the Israeli security is tight and it can take a while for them to search through and check large cases.

Crossing at Beit Shean (Sheikh Hussein) from Israel to Jordan.

Our border assistant will explain the procedure to you at the entrance to the terminal. First, you enter the terminal and visit the exit tax kiosk and pay your exit tax (100 ILS plus 5 ILS surcharge in USD, EUR or Israeli Shekels). Take your exit tax to the immigration counter and hand it over with your passport. After processing your passport you walk through the duty free and outside across the road there is a waiting area. Here you can wait till called to board your shuttle bus to the Jordan Terminal. Note: Our staff cannot accompany you during this process, so you should follow the instructions of the assistant and border staff to ensure your crossing is smooth. You pay the shuttle bus fee of JOD 1.6 (approx. \$2.3 US or 10 NIS) on arrival at the Jordan terminal and then head to Jordanian immigration to arrange your Jordan visa and enter the country. Once on the Jordanian guide, your guide/assistant (sometimes the same person), will handle the taxes and if appropriate, visa payments.

Returning to Israel from Jordan.

Our assistant team on both sides can take you right up to the border fence and will explain to you the procedure throughout.

6. Group Size/Tour Leaders/Guides

On average the group departures on this tour tend to have a minimum of around 10 passengers and an average of 14-18, though we only need 2 passengers to book for a departure to be guaranteed. The maximum capacity of this tour is 45 which is a lot more than our normal 'small-group tours'. We allow this higher number to ensure affordability in what is a very expensive country to arrange tours like this. We also share this tour with a small number of other operators and offer upgrades to higher hotel levels so you may join with travellers booking with different companies and staying in different hotels.

At Egypt Uncovered we aim to only ever use local Israeli guides and reps. We feel this gives you the best experience of the country and the sites you are seeing. A different guide may be used for the Occupied Palestinian Territory sites to the rest of the tour, and a Jordanian guide will be used for the Jordan section.

7. Entrance Fees

The tour price includes entrance fees to all the tourist sites mentioned in the itinerary. If you visit any sites not mentioned in the itinerary then you will need to cover the entrance fee costs.

8. Tipping

Tipping is common practice in Israel, as a sign of appreciation for services provided. You may therefore wish to tip your guide and driver at the end of the tour. You should not feel obliged to tip any particular amount, and should consider your personal budget. We are often asked to provide a guide however, and can suggest that approx. GBP 5 / USD 8 per person per day would be appropriate.

9. Health and Vaccinations

You should ensure you are fully insured for medical emergencies including emergency evacuation and repatriation.

Recommended vaccinations and other health protection measures vary according to the country you are visiting and where you are travelling from. We recommend you contact your GP/medical practitioner or a travel clinic for current information on vaccinations needed for your destination. You should ensure that you are up to date with vaccines and boosters recommended for your normal life at home, including for example, vaccines required for occupational risk of exposure, lifestyle risks and underlying medical conditions.

In addition, additional courses or boosters normally recommended for the countries in this region are:

Egypt: Tetanus, Typhoid, Hepatitis A

Jordan: Tetanus, Hepatitis A

Israel: Hepatitis A, Poliomyelitis

Lebanon: Diphtheria, Hepatitis A

Malaria is not generally present unless it has been contracted abroad; you do not need to take malaria prophylactics.

More information is available here: [Egypt](#), [Jordan](#), [Israel](#), [Lebanon](#)

Note: We are aware of some places in Egypt using 'black henna' instead of pure brown henna. Black henna contains a chemical dye PPD (paraphenylenediamine) which can result in severe allergic reactions and resultant scarring. To be safe we recommend avoiding any henna tattoos while in Egypt unless you are certain they are using pure brown henna.

10. Passports & Visas - Israel & OPT

Passports should be valid for at least six months after your departure from the country. Please do not bring an almost full or almost expired passport. Visa arrangements are the responsibility of the traveller, and requirements are subject to change by the local authorities.

Many nationalities (including UK, European, USA, Canadian, Australian, New Zealand, South African) do not need to obtain a visa to enter Israel as a period as long as your stay is for less than 3 months. Other nationalities should check with their local consulate.

Most of our tours visiting Israel also enter the Occupied Palestinian Territories (OPT). No special visas are required but check points and border posts are operated by the Israeli authorities and access is sometimes limited or restricted.

11. Passports and Visas - Jordan

Passports should be valid for at least six months after your departure from the country. Please do not bring an almost full or almost expired passport. Visa arrangements are the responsibility of the traveller, and requirements are subject to change by the local authorities.

To promote tourism to the country, the Jordanian government has designed the **Jordan Pass**. This provides most nationalities with a free single entry Jordan visa (for stays of 3 nights or more), a discounted package of entrance fees, and free digital brochures for the various sites in Jordan. Please check the Jordan Pass tour note for more information.

Double or multi entry visas for Jordan are no longer available and you will need to arrange two visas if you are doing

a combination tour (eg. with Egypt and/or Israel) that visits Jordan more than once. Exceptions may occur if you are crossing to and from Israel via the King Hussein Bridge - please contact us for details.

If you wish to arrange your visa separately in advance, or if your stay will be shorter than four days/3 nights, then a visa fee of 40JD (approx. USD 57) will be due.

Other nationalities may require a visa prior to arrival and to obtain this in advance, please contact your local Jordanian embassy or consulate or a visa agency for details. In addition, if you plan to enter Jordan via the southern Wadi Araba crossing (Eilat-Aqaba) or the Allenby Bridge/King Hussein border with Israel in the north, you will need to obtain your Jordan visa in advance as these are not available on arrival at the border.

12. Time

The time in Egypt, Jordan and Israel is GMT plus 2 hours. Daylight saving adjustments have historically been applied in some years but not others. At present it appears that there will be no daylight saving changes in Egypt 2016 and beyond, though this may change at short notice (with a resulting impact on flight times and schedules). In Jordan and Israel, daylight saving of one hour is generally applied between the end of March and the end of October, making it GMT plus 3 hours. Exact dates vary from year to year and sometimes the changes may be scrapped altogether.

13. Voltage

Sockets are two round pronged and 220 volts (Type C). Universal adaptors are available in most airport shops if you don't have one already. Standard European adapters will work fine, though sometimes they may feel a little loose in the sockets. All hotel rooms have electrical sockets where you can re-charge cameras, phones etc. Hair dryers are normally available on request from the hotel reception if not in your room already.

If you have US appliances (110 volts) you will need a voltage converter as well as a plug adapter.

14. Money - Israel

The local currency in Israel and the Occupied Palestinian Territories is the Israeli Shekel (ILS). You do not need to arrange to bring any Shekels with you as exchange facilities are available in the international airports and in most hotels, banks and bureau de changes in major towns. You should try to obtain and keep hold of small denomination notes or coins on you during the tour as these are useful for toilets, tips and small purchases. ATMs are readily available in major towns and many local shops will accept VISA/Mastercard or Amex, but may charge fees of up to 10% - check before you pay. Travellers cheques are not recommended as they can not be changed in many places now, and can incur high fees.

While in Israel and the OPT you will need sufficient funds to cover meals not included in the itinerary, drinks, snacks, souvenirs and personal expenses such as laundry. These should generally all be paid for in local currency, though tips for guides and drivers may be paid in hard currency (GBP, USD, EUR).

It is difficult to recommend a level of personal spending money which will suit everyone as this can differ greatly, but as a guideline, we would suggest allowing USD 25-35 per person per day as a minimum. Allow more if you plan on doing lots of shopping, or buying many alcoholic drinks.

15. Money - Jordan

The local currency in Jordan is the Jordanian Dinar (JD). You do not need to arrange to bring any Jordanian Dinar

with you to Jordan as exchange facilities are available in the international airports and in most hotels, banks and bureau de changes in major towns. You should try to obtain and keep hold of small denomination notes or coins on you during the tour as these are useful for toilets, tips and small purchases. ATMs are readily available in major towns and many local shops will accept VISA/Mastercard or Amex, but may charge fees of up to 10% - check before you pay. Travellers cheques are not recommended as they can not be changed in many places now, and can incur high fees.

16. What to take

Luggage: Suitcases, rucksacks or fabric holdalls are all fine to bring with you to Israel and Jordan. You should also bring a small daypack/bag to take out during the day. Your main luggage will normally be left in the hotel during your sightseeing trips – you will not need to carry it far, and there are nearly always hotel porters to assist.

Luggage limits: There is no luggage limit for this tour. However, most airlines restrict you to between 20kg and 25kg for your hold luggage and between 5kg and 10kg for hand luggage. Please check with your airline before travelling to the airport.

Clothing: The climate in Israel and Jordan varies widely from hot days in the summer to cool and sometimes wet days in the winter months. At night, especially in the deserts, the temperatures can drop quite dramatically. So you must pack for cool conditions. Formal dress (eg. suits & ties) is not required. Modesty rates highly in Jordan (and parts of Israel), especially for women, so to respect the local culture & people, please ensure all clothes are loose fitting and not revealing. Shorts (not hot-pants) are OK in tourist sites, as are T-shirts, but these should not show too much bare flesh (we suggest that your shoulders should remain covered). When visiting any mosques, legs and arms should be covered.

Other items: At the Bedouin camp bedding is provided but we recommend bringing a light sleeping sheet or sleeping bag liner for comfort all year round (even with the best efforts, sand does find its way pretty much everywhere). In the winter months, or if you think you would like to sleep under the stars instead of in your tent, then we recommend you bring a sleeping bag with you as it can get very cold at night. We also recommend you bring a sun hat, sunscreen, sunglasses, a basic first aid kit, toiletries, money belt, small torch, camera & charger.

17. Dates & Prices

We run regular small-group departures on this tour starting on Sundays throughout the year. All departures are guaranteed to run with a minimum of 2 people. Departure dates and prices are listed on our website and on a separate dates & prices sheet available on request.

18. Booking & Payment

If you would like to book a place on this tour, please complete the online reservation form on our website (via the Dates & Prices tab on the tour page). You can pay your deposit or full balance online, or just hold a reservation if you prefer. We will then contact you with more details about how to complete your booking. Payments may be made by debit or credit card (subject to a card processing fee), or by making a bank transfer or posting us a cheque/bank

draft. Full details will be provided in your booking confirmation email. Please [contact us](#) if you would like any more information or have any questions before making a booking.

19. Travel Insurance

Travel insurance is compulsory on all of our tours and needs to cover personal accident & liability, medical expenses and repatriation, travel delay & abandonment. We also strongly recommend that you take out cover against cancellation and lost/stolen baggage. Personal medical insurance does not normally provide sufficient cover and is generally not suitable for travel on our tours. You will not be able to join your tour if you have not provided us with details of your insurance or if you arrive without cover in place (no refunds will be due in this event). [More information...](#)

You may arrange your own insurance, or you can take advantage of a comprehensive policy that we can arrange for you through Endsleigh Insurance which has been designed to be suitable for our tours. The policy is available to travellers of all nationalities and you do not need to live in the UK to take out the policy. For full details of cover provided, prices and to apply for one of our policies, please complete [travel insurance application form](#).

Note: Any country that borders the Mediterranean is considered as 'Europe' for the purposes of travel insurance (including Turkey, Israel, Egypt and Morocco). If you are doing a tour that visits one country in 'Europe' and one that is 'Worldwide' (for example, an Egypt and Jordan tour), then you need a 'Worldwide' policy. When completing the form you should enter your travel dates including any extra days involved in overnight flights or connecting travel between your home and the tour. Our policies are not able to cover any extra time or activities other than your tour and options booked with us and your travel to & from home.

If you plan to arrange a hot air balloon flight locally, or do some scuba diving during your tour, you should check the small print in your policy to make sure these are covered (these are covered in our policy). Please also check the maximum altitude that you will be reaching and that full cover including emergency evacuation is provided up to this altitude.

IMPORTANT: We must have your travel insurance details (policy number and type of insurance) before you depart or you may not be allowed to join the tour. If you haven't told us already, please let us know the details when you can. You should take a paper copy of your insurance policy with you as you may be asked to show this at the start of the tour.

20. Financial Security

We are a UK registered company and an ABTA Member (Y4447) and you can be confident when booking with us that your money is safe and protected. Financial failure insurance is provided through Affirma to protect all customers for the land portion of their tour.

Please see [our website](#) or [booking conditions](#) for more information.

21. Responsible Tourism

It is impossible not to have an impact on the local environment, cultures and eco-systems when you travel. However, it is very possible to try and ensure that these impacts are as limited, or positive as possible. We are committed to ensuring that we try to leave our host countries in a better state than we found them and encourage and assist our travellers to help us with this.

The following are a few simple tips that require very little effort on your part but which will help ensure that any effect you have on the locations you visit is positive rather than negative.

- Don't prejudge: Things in different countries will almost certainly be different. That doesn't make them worse or inferior, just different.
- Communicate: Don't expect locals to speak your language. Take the trouble to learn a few words or phrases of the local language. Don't worry about sounding silly. Most locals are patient and accommodating and appreciate you making the effort to communicate in their language.
- Conserve energy: Be careful not to waste valuable resources. Use local resources sparingly. Switch off lights, air-conditioning and fans when you leave the hotel room and don't waste water. Remove superfluous packaging. Many countries have far less efficient waste disposal systems than ours. Remove packaging from newly acquired items before leaving home.
- Don't litter: No matter how untidy or dirty the country you're travelling in may look to you, avoid littering, as there is no need to add to the environment's stress. Many of the countries we visit have a tough challenge dealing with rubbish and waste. Please consider taking home as much plastic waste as you can (e.g. water bottles).
- Choose environmentally friendly products: By using environmentally friendly (bio degradable) sun creams, shampoos and detergents you can help reduce pollution.
- Respect local customs and traditions: As you are a guest in these countries, you should also comply with the local customs. If you are friendly and well mannered, the locals will reciprocate and it will only enhance your experience. It's important to follow dress and behaviour guidelines especially when visiting religious or sacred sites (your tour leader will advise you how best to do this).

23. Before you travel

It is important when considering and preparing to travel anywhere in the world that you have a good understanding of the country you are visiting, its laws and customs, and the possible risks and situations that may occur. This includes specific risks related to your itinerary (eg. does it involve water & can you swim, are you fit enough for the activities included), as well as more general risks such as terrorism and natural disasters.

General details and links to more information about health risks, visa requirements, money, and travel insurance are given in these tour notes. We recommend that you re-read all these before your departure as well as the small print of your travel insurance policy so you know exactly what is covered and what is not.

You should take copies of your important travel documents with you and ideally also store them online securely as a backup. Make sure that you have given us your emergency contact details and told that person where and when you are travelling. Ensure you take enough money with you and that you have access to emergency funds.

Finally, you should read through and stay updated with the current [official government travel advice](#) for your destination. We are registered partners with the UK Foreign Office's ['Travel Aware' campaign](#) which provides further useful and invaluable information.
